

FMC Medical Clinic - Millport (MMC)

GENERAL CONSENT: A patient's care plan is established by his or her physicians; and, in most instances, the hospital is not liable for any act or omission when following the instructions and/or orders of the patient's physician(s). I consent to any examinations, tests, treatment, procedures, therapies or medications rendered to the patient under the general and special instructions of the physician. I consent to being photographed for clinical purposes. Additional consents may be required for specific examinations, procedures, or therapies.

I understand that most physicians providing services to the patient are independent contractors and are not employees or agents of the hospital. I also understand that I likely will receive separate bills
